Subject: Berry Hill Site Visit

Hi Vinny,

With the amount of impacts proposed for Berry Hill, I would like to request a site visit before the PN comment period closes, if possible. While I would prefer to see it before it goes out on PN, I don't anticipate having time for a site visit next week. Given that, would we be able to set something up during the last two weeks of August or early the week of September 12? I'll be on leave most of the week of September 5.

Best regards,
Meredith
